Prayer For Rain

Almighty God,

We are in need of rain.

**We realize now, looking up into the clear, blue sky,
What a marvel even the least drop of rain really is.**

**To think that so much water can fall out of the sky,
which is now empty and clear!**

We place our trust in You.

We are sure that You know our needs.

But You want us to ask You anyway,

**To show You that we know
that we are dependent on You.**

**Look on our dry hills and fields,
dear God, and bless them**

with the living blessing of soft rain.

**Then the land will rejoice,
and the rivers will sing Your praises,**

And the hearts of all people will be made glad.

+Amen.

Life & Choice

“Choice’ is a positive concept, and an attractive concept. That’s why abortion apologists use it. But the way they use it is a lie and, increasingly, Americans are catching on. There is hope in this development..... Increasingly, Americans are recognizing what a moral evil is embodied in *Roe*. Increasingly, they are aware of the vast network of lies that have been spun and fortified to sustain the illusion that abortion is somehow a good, or at least a morally neutral procedure; that it is a standard part of health care and family planning; that it is a proper exercise of a woman’s freedom; that it is a solution to intractable social problems. It is, of course, none of these things. What it is, is an unfettered right to take an innocent, human life from the mother’s womb. All this, more and more Americans are coming to know.” --- Cardinal William H. Keeler, Former Archbishop of Baltimore January 23, 2005, Basilica of the National Shrine of the Immaculate Conception
