## NEWSLETTER FOR NOVEMBER 2017

Dear Parents, Guardians, and Benefactors,

### Colossians 3:17

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.

I am so thankful to all of the parents whom attended the parent/teacher conferences and made them a complete success. I appreciate the time it takes to set down with your child's teacher and discuss what is taking place in their classes. I am thankful for the input we were given by the participation in the school surveys.

A special thank you to all of the 3-6<sup>th</sup> grade students whom helped their parents get into the surveys. We had a few students whom took the time to be special helpers in the hall way for all of the Kindergarten – 2<sup>nd</sup> graders' parents. It was great to see them take responsibility for helping parents use the link on the computers. Cannot ever say enough about how blessed our school is to have students that are responsible for helping with school activities.

A special thank you to the sixth graders whom help with the gates each morning. Thank you to the fifth graders whom help with the flag raising each morning. Thank you to the students whom help whenever they are asked.

This month we will have the special Veteran's Day Assembly at the Cardinal Gym @ 9:30 on the 7<sup>th</sup> to thank our veterans.

We will be hosting another Parent's Visit Day on the 21<sup>st</sup>. Parents are welcome to visit their student's classroom during the morning or afternoon. Please check in at the office. We will have a special meal that day. We will be sending out a sign-up for lunch in next week.

We have been invited to bring a few of our students to Divine Mercy Radio on the 30<sup>th</sup> of November to take part in their Care-A-Thon. Our students will be on the air from 9:00-10:00 AM.

Thank you sincerely in Christ,

Laura Foss

We are still a school of few resources, but it is with the help of all our parents that our resources are always somehow enough.

We are collecting the following items to help us with dollars that can supply many of our needs.

We are still collecting the Box Tops For Education. We received a large number of these just from the tissues that were brought in by the students at the beginning of the year. Please continue to cut these out and send them with your students. We will do the rest by getting them sorted and sent into the company. Thanks for clipping.

We are collecting ink cartridges for kids. If you have a printer, we will accept your empty cartridges. We send them to a company that will refill and resell them. Keep us in mind for those cartridges you would otherwise throw away.

Mr. K's is now a Best Choice Brand store. We are collecting the UPC codes off their items. You will not need to cut off the whole label, but just the bar code with its information. We will send these into the company to receive a set amount. The will give us \$0.03 per code. We need to send them in periodically.

Last, but not least we are a drop off spot for old batteries. We are not able to recycle them, but we act as representative for the community to help keep these items from going in the regular waste. We take them to the land fill to have them disposed of environmentally safe.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
