

September 2018 Newsletter

Welcome back to school schedules and all the fun that comes with this time of the year.

It is our pleasure to serve your children and in turn to serve you. God has called us to each be a Champion for the children and in doing our jobs we fulfill that mission.

[Psalm 127:3-5](#) Behold, children are a heritage from the LORD, the fruit of the womb a reward.

Each month we send home a newsletter. We are converting them to be online, at shcplainsville.org. (On the left hand side click on school and it will take you to all the information you may need. If you bookmark it, you can get back to it easy next time.) I know it is a lot to read on line, but it will cut down on the number of papers we send home. We will only be printing the bare minimum for us to hand out. If you prefer to receive a newsletter on paper please stop in the office and let us know. We do not want anyone to miss out on all the good things our students are doing.

Each month we have also sent home the lunch calendar and the activity calendar. Those too show up on the website. We want you to know what the lunch that will be available each day. Some of our students may have a preference not to eat the meal on a given day and being hungry all day is not conducive to working very well. The activity calendar gives a lot of information on what we consider special activities that you may want to take part.

Things we can use your help collecting.

We will be collecting BOX TOPS for Education, Best Choice UPS labels, and Printer Cartridges and use cellphones for Kids, to help with raising funds for the school. We will not be collecting soup labels as they have stopped their program.

We will still be collecting items for the food pantry. Especially on the second Friday of each month. We will take them over on a Mass day to take up with the offertory.

*School Shirts Are Still Available for a fee of \$10. **We will be wearing them on Fridays.** We want to show our school spirit and show our unity. If your child does not have one please stop by the office and we can help you in getting one that is the correct size.

Last but not least: we have been blessed with a new bishop in the Diocese of Salina. We welcomed to our diocese Bishop Gerald “Jerry” Vincke. In a beautiful ceremony in Salina at Sacred Heart Cathedral.

If you would like to view all or part of it you may do so on the salinadiocese.org website.

Having never been to such an extraordinary event, I was quite impressed. I did not realize how much went into the choosing, directing, and holding a bishop’s ordination. It was at times almost overwhelming to see all of the priest of our diocese and those that traveled from his home diocese and the large number of bishops come together. When they all said and sang parts of the Mass, I was impressed with their joining of voices and hearts for God’s glory.

Sincerely in Christ,

Laura Foss
