### Participation in the Eucharist

Our participation at Mass is meant to spur us on to create a better world, in which all life, including the unborn, is protected. In his encyclical letter on the Eucharist, Pope John Paul II wrote the following: *“Certainly the Christian vision leads to the expectation of “new heavens” and “a new earth” (Rev 21:1), but this increases, rather than lessens, our sense of responsibility for the world today. I wish to reaffirm this forcefully at the beginning of the new millennium, so that Christians will feel more obliged than ever not to neglect their duties as citizens in this world. Theirs is the task of contributing with the light of the Gospel to the building of a more human world, a world fully in harmony with God's plan” (n.20)*
