The Pope on Life

Every child who is born brings us God's smile and invites us to recognize that life is his gift, a gift to be welcomed with love and preserved with care, always and at every moment. God entrusts every child who is born to his parents: so how important is the family founded on marriage, the cradle of life and love! The House of Nazareth where the Holy Family lived is the model and school of simplicity, patience and harmony for all Christian families. I pray the Lord that your families too may be welcoming places where these little ones can not only grow in good health but also in faith and love for God. — Pope Benedict XVI, January 7, 2007
