

May 2019 Newsletter

Dear Parents, Guardians, and Benefactors,

It seems like only last week we were kicking off a new school year, but here we are finishing up the last few weeks before we start our summer break.

Please note there has been a change to the calendar. We will have our last day on Thursday May 16, 2019. We will have May Crowning at the beginning of Mass and at the end of Mass have 6th grade promotion. After the Promotion Mass the 6th grade will have a small reception with family. (Please check to see if you sent back the number of guests attending for your 6th grade.)

We will have time for some dodge ball challenge after the reception. This is a great time for the kids to work with their saint team to show some physical agility. It is also a chance for some that are young students to work with the older students in a different way. At 11:40 we will start sending the teams to lunch.

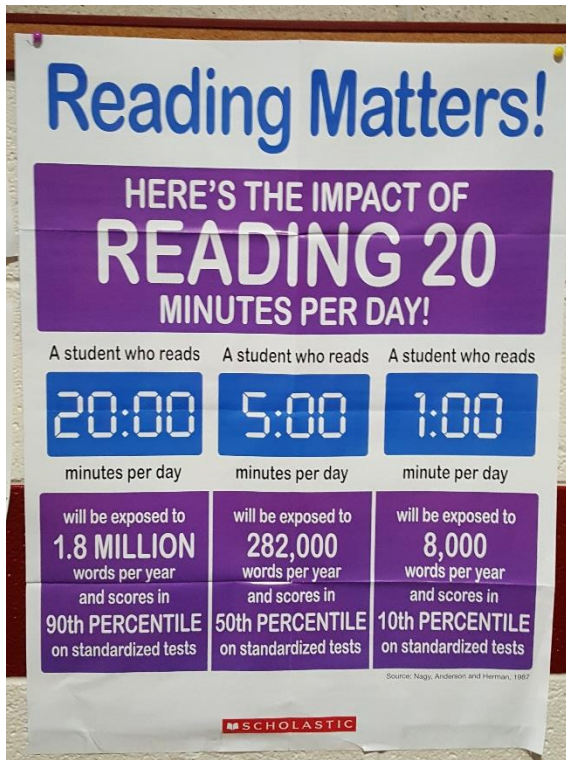

We will have an awards ceremony for all the classes starting at 12:30, after lunch recess. Please join us if it fits your schedule.

Many notes have been going home over the last few weeks. It is hard to know which ones actually make it to any or all parents. We have not found a fail safe way to get them to everyone. Putting them on the web site is not a sure bet either. Not all parents check it daily, not do I expect you to do so. It seems that we as adults have to hope that our students will bring home all notes so we can be knowledgeable about what is happening. There is normally a copy of each note kept in the school office. You are always welcome to call the office and ask that another copy be sent home if you think you are missing any. Please check with your student if you have not received a copy of the new school uniform policy or the next year calendar.

The enrollment date of August 1st is listed for next year. You should receive items during July for next year's enrollment. Please give the office a call if you do not have them by mid-July.

The annual Sacred Heart Church and School Auction is set for July 27, 2019. They are always in need of items. They can be dropped off at the Church office between 9:00 and 3:00 M-F. The tickets will go on sale in June. Please be willing to help support this event as it really helps the school.

You may have seen the following chart in our school...

Our public library will be having numerous events this summer for the students.

Please take the time to visit the library this summer.

I Am a firm believer...

It is not how much you know, but how much you use what you have learned in your short time here so far.

Sincerely,

Laura Foss

Things we can use your help collecting.

We will be collecting BOX TOPS for Education until the end of school. We will have one last time to send them into the company this year. This fall the program will be going through some changes. Please send in any labels you have.

We would like to collect food items for the food pantry. The summer months have people scattered and doing so many things that we often forget that some people in our community still need to get food by other means. Please consider sending a few items for the food pantry.
