Greetings from 5th grade!

The fifth grade students have been busy improving their writing skills this semester. The goal is to expand vocabulary usage and replace over used words with more specific and creative choices. The ladies had the privilege to attend the Chrism Mass in Salina last week. They enjoyed this opportunity. Ameritowne is not far off so 3rd, 4th and 5th have been buckling down to complete the curriculum. Time is flying by! Every day is a gift! These kiddos are such a blessing!

Kindergarten

We have been having a blast learning how to read and how to count, write and know our numbers to 100. Also, we have learned about Force- push and pull, and about being Good Citizens. As school is beginning to wind down we are going to focus on increasing our fluency in reading, adding and subtracting, learning about living organisms and how they grow. These Kids know there is only 36 days of school left and are looking forward to summer fun and the excitement of 1st grade. Its been a pleasure to teach these kids and I look forward to the next 36 days.

A Note from the Principal

We are drawing close to the end of school as we begin our last nine weeks.

These last few months will go by fast and we have a lot to cover. In April, the 3rd through 5th grade will take their Kansas Assessments. These tests, like the Iowa Basics, are used by the school to examine where we need to adjust curriculum for the students. We will also take the ARK test, which is an assessment of Religion knowledge. It is taken in Kindergarten through 5th grade.

The end of the year is not only about testing. We will also have some fun. All the teachers are thinking about where to go for year-end field trips. Kindergarten - 5th grade will also make a trip to the Kansas Wetlands to expand on what they learned earlier when the Wetlands Education Director was here in January. Also, 3rd-5th will take their annual trip to Lenora for the Ameritowne adventure learning about what makes a town work.

So as you can see, it will be a fast, furious, and fun time until we reach the end.

St. Catherine of Siena Intercessory prayer

Moved by His Grace, you devoted your life to the poor and the sick, as well as to the peace and unity of the Church. Through your intercession, may we also come to know the love of Jesus, bring His compassion to all, and work for the unity of His Church. St. Catherine of Siena, Pray for us.
