

School News

Greetings from Kindergarten here at Sacred Heart. We are a small class of four this year, but are learning a lot. My 16 year old recently told me that there are only 18 more Fridays before school is out. That is exciting to her, but makes me realize just how much we still need to learn.

This week is our 100th day of school and they are excited to celebrate on Thursday. We can count to 100, recognize our numbers to 100 and are ready to begin adding and subtracting numbers. Also after 100 days, we continue to grow in our reading skills. We can sound out and read 3 letter words, words with a long vowel and silent e and know over 50 sight words. Please continue to practice with your students on their sight words and read those decodable books as they come home. While my students can see the end of the year and are looking forward to first grade, we still have a lot to learn and hope to have a little fun along the way.

St. Brigid of Kildare

St. Brigid of Kildare is the patroness saint of Ireland. She was an abbess who founded the important abbey of Kildare, as well as several other monasteries of nuns. She is patroness of many things, including poetry, learning, healing, protection, blacksmithing, livestock and dairy production. She is known for weaving crosses from tall grass and passing around to further Christianity teachings.

St. Brigid of Kildare, pray for us.

St. Valentine

He is the patron saint of lovers, people with epilepsy, and bee-keepers. By some accounts, St. Valentine was a Roman priest and physician who was martyred during the persecution of Christians by the emperor Claudius II Gothicus about 270. According to legend, St. Valentine signed a letter "from your Valentine" to his jailer's daughter, whom he had befriended and healed from blindness. Death: 269

St. Valentine, pray for us.

(wearing dress clothes)
- 22 First Reconciliation Retreat @
9:00 am to 12:00 pm
- 24 School Council Meeting @ 7:00 pm

Catholic schools are worth fighting for. We have to fight to make our schools affordable and accessible, especially for Catholics. We have to fight for teachers and administrators who love the Church and want to serve the mission of education. We have to fight to protect our children from dangerous ideologies. We have to fight to win their minds and hearts so that they will be won over by the beauty and truth of the Faith.
