

End of the year school news

End of the school year Home & School picnic will be May 12th @ 5:30 with a meeting for parents regarding Home & School expenses and income, and election of officers. Please bring your family.

Changes are coming next year for SHGS. 5th & 6th grade classes will be moving back to the modular. 3rd & 4th grade will each have their own classroom. Art classes will be taught by volunteers and will be located in the school building in the old 4th grade room. We are so fortunate to have these volunteers. Thank you Mrs. Julie Becker and Mrs. June Mongeau for spending their time with us.

April Class Projects

Rain down! Rain down!
1st Grade has spent the last couple weeks studying weather and all that it entails, hoping maybe this would bring along some much-needed moisture to our area. :)
The students learned what tools are used to measure weather, how weather ties into the four seasons, as well as the water cycle. We constructed a fun water cycle craft to serve as a visual aid in covering the 4 important parts to the cycle: Collection, Evaporation, Condensation, and Precipitation.

The 4th graders completed a project on national parks.
They each picked a different national park to research and write a report about.
When they finished their research report they designed an arrowhead that featured important symbols and details about their national park.

2nd grade Habitat projects for Social Studies. The kids did research on their animal habitat.

5th & 6th Grade
Science projects.
The study of
Volcanos

5th 6th grade attended the Chrism Mass
@ Salina Sacred Heart Cathedral.

St. Isadore

Patron saint of rain and farmers.

St Isadore the Farmer, patron saint of agriculture and laborers, you who were so devoted to your work on the land, we humbly ask for your intercession. We are in need of rain to sustain our crops, our livestock, and the very earth itself. Grant that God may send us sufficient rain to nourish our fields, our rivers, and our gardens. We trust in Your powerful intercession with God, and we ask that He may pour down blessings upon us in this time of need. Through the intercession of St. Isidore, may we be granted a bountiful harvest and a renewed hope for the future. We pray in the name of the Father, and of the Son, and of the Holy Spirit.
Amen.

Kindergarten Promotion Students:

Charlie Belzer, Jack Brewster, Hudson Gosser,
Logan Nuttle

6th Grade Promotion Student:

Leilah Slaubaugh

Congratulations students!!

SHGS school office closed

May 19th - June 1st

Prayer for the summer

"Lord, may we use this time to explore our interests, learn new skills, and grow in wisdom and knowledge. May we be open to new experiences and opportunities for learning. May we use this summer to draw closer to You. Help us to find time for prayer and reflection, and to grow in our faith.

Amen
