

School News

Greetings from Kindergarten,
This semester we are learning to count by 5's and 10's in Math. We learn in phonics all about letter and letter sounds, currently learning about the letter "I" and the sound that it makes. We are working on sight words, learning about the words, "were, and don't". English is a part of our curriculum, teaching the students about being verbs, "Am, Is and Are". Human Impact, is the topic in Science, learning about how humans impact the environment. Handwriting rounds out our days, learning how to write the letters of the alphabet, working on the letter "R" and the sound it makes, along with what words start with this letter.
We are a small class of two, but our learning is big!

The Baby Bottle Campaign

Together, Let us be Disciples of Jesus on Mission

The Baby Bottle Campaign is a fundraiser that supports moms and their babies! **Your participation makes a real impact!** Every piece of change contributed helps provide essential items for mothers and babies, such as diapers, wipes, pacifiers, car seats, blankets, clothing, and more. This is a wonderful opportunity for individuals, families, parishes, and other parish groups to come together to share hope and support for those who need it most.

(Cash is ok too!)

February 16th – March 6th

The students @ SHGS will have class Baby Bottles set up in the office for donations. Their goal is to be the class collecting the most change.

Each year the National Catholic Educational Association honors the achievements of Catholic elementary school graduates throughout the United States. The NCEA's Distinguished Graduate Award is given in recognition of an alumni member who has made a significant contribution to American society and/or the Catholic Church which reflects favorably on the education that person received at his or her Catholic Elementary School.

***Congratulations to Matt Comeau & Alexandra (Lolly) Brewster,
2026 Sacred Heart Grade School Distinguish Graduates.***
